Re: San Jacinto River Waste Pits

Dear Mr. Miller:

I am writing to let you know that I support a permanent cap for the San Jacinto River Waste Pits. Alternatives to a permanent cap are simply too risky—Alternative 3.

Since the Time Critical Removal Action was established in 2011, it has never leaked. This is proof the cap is working as intended. Alternatives other than Alternative 3 potentially expose the entire bay area to unnecessary risks.

I ask that you consider my opinion as a citizen in deciding the recommended course of action. I ask that you ensure my voice is also heard in this process.

Thank you for your consideration.

Sincerely,

(b) (6)
